October is National Cybersecurity Awareness Month!

Eastern Savings Bank is dedicated to providing the highest level of security. In preparation for National Cybersecurity Awareness Month in October, here are a few mobile banking security tips to keep in mind to ensure your mobile banking experience with EasternEase Online is as secure as possible:

- *Protect your personal information by ensuring your mobile device maintains a PIN, fingerprint authentication or strong password. When your device is not in use, enable automatic screen lock.*
- *Access mobile banking on a secure wireless network. Do not use public Wi-Fi hotspots. Unsecure networks can expose sensitive data, making it vulnerable to hackers.*
- *Delete security codes and message alerts you may receive via text from your financial institution. If you change your mobile phone number, be sure to update your online banking profile to protect sensitive message alerts.*

This summer,

Eastern Savings Bank associates and customers collected school supplies in support of **The Preston Mitchum Jr. ("PMJ") Foundation's Annual Back to School Campaign.**

This campaign reaches more than 3,000 young people ages 5-17, in need of NEW school clothes and supplies. The NEW items Associates donated were distributed to families in need at the Annual Back to School Rally held in August.

In addition, ESB Associates also raised over \$300 in support of The PMJ Foundation with a 'casual for a cause' day on August 15, 2019!

The Preston Mitchum, Jr. Foundation is dedicated to addressing the crippling effects of poverty and violence on at-risk youth in our society. The organization seeks to educate, empower, and provide a vision of a brighter future for these youth through after-school programming and community-based services.
