#### INFORMATION TO REMEMBER:

- The contents of all safe deposit boxes are not FDIC Insured.
- Not all box sizes are available at each branch.

#### DO'S AND DON'TS

- Do keep your safe deposit box key in a safe and secure location.
- Do tell someone you trust that you have a safe deposit box and where the key is safely stored.
- Do remember that your safe deposit box is water and fire resistant, but not water or fire proof.
- Don't store items in a safe deposit box that you will need on a regular basis.
- Don't store cash in your safe deposit box as its contents are not insured or protected by the Federal Deposit Insurance Corporation (FDIC).
