

Get Protection for Your New Debit Mastercard® with SecurLOCK™ Equip

What is SecurLOCK™ Equip?

SecurLOCK™ Equip is a free, simple, and secure app that lets you control activity on your debit Mastercard® from your smartphone by simply turning it on or off with the touch of a button. Now you can control the how, where, and when your debit Mastercard® is used for added peace of mind, with features such as:

- **Switch debit Mastercard® On/Off** - Lock or unlock cards with a single touch of a button
- **Control Use by Location** - Limit your debit Mastercard's® activity to a specific distance from your mobile device or specify a region on a map
- **Control Preferences** - Set merchant categories, transaction types, and spending limits
- **Instant Transaction Alerts** - Receive real time alerts on transactions
- **Self Service** - Review spending and manage transactions

How do I get the SecurLOCK™ Equip app?

SecurLOCK™ Equip requires you to have a debit Mastercard® issued from Eastern Savings Bank. You will also need an Apple® or Android™ smartphone, since SecurLOCK Equip is available on both Apple® and Android™ mobile devices. To download the free app, search for SecurLOCK™ Equip in the Apple® App Store or Google™ Play for Android™ devices.

How do I register my debit Mastercard® for SecurLOCK™ Equip Protection?

Once the app has successfully downloaded to your mobile device, you can begin the card registration process.

See reverse side for step-by-step instructions for registration.

Step-by-Step Instructions for SecurLOCK™ Equip Registration

Once you've downloaded the SecurLOCK™ Equip™ app, follow these simple steps to get started:

1. Open the app and register by clicking on the "Sign Up Free" button.
2. Enter your Eastern Savings Bank debit Mastercard® number to begin registration. 
A few things to remember before you begin your card registration:
 - *You will need to manually enter your 16 digit card number.*
 - *Please note that the camera feature is currently unavailable to input your card details.*
3. Enter your card's 3-digit security code, your street address, zip code, and your card's expiration date.
4. Enter the last 4 digits of your social security number or date of birth.
5. Accept the Terms & Conditions and Privacy Policy.
6. You are now ready to create your login credentials.
7. Enter your email address.

An email address is required in case you forget your password and need to reset it using the 'Forgot Password' link.

8. Enter your Username and Password, and 'User Full Name.'
Enter the 'User Full Name' exactly as it appears on your card.
9. Congratulations! You're now registered. You can begin using the app immediately!

What do I do if I forget my SecurLOCK™ Equip password?

On the Login page of the SecurLOCK™ Equip app, tap the "Forgot Password?" link below the Login button. Enter your SecurLOCK™ Equip username and click OK. You will be emailed a one-time security code. Check the box "I have the security code" on the Forgot Password page, enter your username, this code, and then create a new password.

What if I am having trouble during registration?

Please use the Contact Us button at the bottom of the landing page and someone from our Customer Service Center will be more than happy to assist you.
