Lutherville Branch Closing

An important reminder that we will be permanently closing our Lutherville branch, located in the Yorkridge Shopping Center at 10 W. Ridgely Road, Lutherville, Maryland 21093. **The branch closure will take effect on Thursday, August 31, 2023, at 4:00 PM (ET).**

Despite this branch closure, all accounts at Eastern Savings Bank will remain open, unaffected and accessible from any Eastern Savings Bank location.

Safe Deposit Box Closures

In conjunction with the Lutherville branch closure, existing safe deposit box rental customers must visit the Lutherville branch prior to Thursday, August 31, 2023, at 3:00 PM (ET) to remove the contents of your safe deposit box and return any safe deposit box keys.

If you would like to maintain a safe deposit box with Eastern Savings Bank, we can accommodate rental requests at our Pikesville Branch. Our Lutherville branch team can assist you with setting up your new rental prior to visiting the Pikesville branch to move your contents.

We appreciate your patience and understanding. If you have any questions, please contact us at 800-787-2265 or customerservice@easternsavingsbank.com. You can find more details related to this branch closure by visiting easternsavingsbank.com.

Avoiding And Protecting Yourself From Spoofing Scams

An increasingly common technique scam artists are using to get you to answer the phone is to falsify or “spoof” their caller ID information. Then, if you answer, the scammers’ deploy tactics to exploit your vulnerability and get you to reveal important information to help them steal your money.

Read more about this growing scam and how to protect your personal information and avoid being the target of caller ID spoofing. Go to the Eastern Interest Blog at easternsavingsbank.com/eastern-interest-blog/

Controlling Your Budget By Mastering The 50/30/20 Rule

Saving money is an essential aspect of personal finance. Like most success stories though, having a plan to follow will keep you moving along the right path. The 50/30/20 budget rule is a great guide that provides a straightforward framework to manage your finances effectively. It encourages you to allocate your income into three distinct categories: needs, wants, and savings. Learn more about the 50/30/20 rule and explore strategies to tackle each component successfully by reading the full article on the Eastern Interest Blog at easternsavingsbank.com/eastern-interest-blog/.

A Tasty Excursion Across Maryland

Attention ice cream lovers. Did you know that Maryland has an Ice Cream Trail?

It extends from western Maryland all the way to the eastern shore, showcasing Maryland's nine local farm creameries.

A great summer pairing is warm weather and a delicious ice cream treat, which is great at any age. So why not make a trip, or several, out of it and see how many you can experience and visit. Any trip is better knowing there is a tasty treat for you at the end.

While the trail focuses on highlighting the local dairy farms that have expanded into the ice cream business, Maryland is also home to many local creameries that make delicious ice cream in-house.

To learn more about all the Maryland ice cream destinations and to pick your next destination, visit the Ice Cream Lover's Guide To MD at www.visitmaryland.org/article/ice-cream-lovers-guide-to-maryland
